

MSR Organises Fertility Awareness Outreach CME at Akola

The Maharashtra Chapter of ISAR (MSR), under the leadership of Dr Ameet Patki, Chairperson MSR and National President ISAR, in association with the Akola OBGY Society led by Dr Geeta Bhusari (President), organised a Fertility Awareness Outreach CME on Sunday, 9th November 2025 at RS Hotel, Akola.

The programme witnessed an enthusiastic participation of around 70 delegates from Akola and neighbouring regions.

Dr Chaitanya Shembekar, Secretary General, MSR, delivered an insightful talk on Unexplained Infertility and Luteinised Unruptured Follicle (LUF). Dr Neelam Bhise, Managing Committee Member, MSR, spoke on various aspects of male infertility.

A wide spectrum of critical fertility-related topics—including thin endometrium, IUI, and endocrinological aspects of infertility—were covered by eminent speakers:

Dr Deepali Shukl, Dr Arun Rathi, Dr Jhelam Deshmukh, Dr Deepali Mamankar, Dr Abhijeet Jawanjal, and Dr Kanchan Bhuibhar.

This CME stands as one of the many ongoing initiatives by MSR to promote fertility awareness and ensure continuous medical education for gynaecologists about the latest advancements in infertility management.

The scientific sessions received excellent feedback, with delegates appreciating the quality and relevance of the content. The programme was accredited with two MMC credit points.

The CME was organised in academic collaboration with Alembic Pharma.
