

The CME “Infertility: From Basics to Beyond” part of Aao Gav Chale initiative of MSR under leadership of Dr. Ameet Patki sir and Dr. Chaitanya Shembekar sir was successfully conducted on 21st December 2025 at Swarna Sparsh Resort, Dhule, with 86 delegates in attendance with 2 MMC points granted.

The program was appreciated for its strong academic content and interactive format. The collaboration between ISAR, MSR, Dhule, Jalgaon, Chalisgaon and Malegaon OBGY societies provided an excellent platform for knowledge exchange and clinical updates in infertility.

The sessions covered practical and evidence-based aspects of infertility management, from fundamentals to advanced clinical decision-making, and were very well received with active audience participation throughout. We thank our senior faculty Dr Kundan Ingale sir for his presence, valuable insights and practical points which was very well appreciated by everyone.

An open forum at the end featured rapid-fire, crisp questions on each topic, leading to engaging discussions and valuable take-home messages.

Heartfelt thanks to Ameet Sir and Chaitanya Sir for their constant encouragement, guidance, and support.

Regards,

Dr. Rachana Deshpande

Dr. Aditi Trivedi

Dr. Garima Sharma

(MCM Convenors)
